AllGround

Fiorenzato Home brings 80 years of commercial expertise, and the true essence of each and every grain of coffee, right to your home.

Loving yourself is an easy game. Play with the revolving ring nut and design your perfect cup. AllGround's burrs will shape your desire with the right texture.

Three grinding classes. Three interpretations of pleasure.
Endless daily combinations.

Turn the ring nut.
Choose your
granulometry. That's it.

By turning the ring nut,
the display comes alive.

There, you can check
the selected mode
and fine-tune your coffee.

In the easiest
and most
intuitive way.
